

Ancestry Library Edition Update

Library and Information Show 2009

ProQuest®
Start here.

The Resource

- Ancestry Library Edition has the largest and broadest collection of genealogical data available.
- There are more than 6 billion names and over 25,000 historical record collections.
- Contents includes:
 - Birth records
 - Death records
 - Marriage records
 - Census collections
 - Parish records
 - Military records
 - BT phonebook archives
 - Immigration records
 - Court, land and probate records
- The titles available grow at a fast pace...

What can ALE offer your library?

- Genealogy one of the fastest growing interests in public domain
- Membership of genealogical societies is on the increase
- Opportunity to greatly increase your library footfall!

What can ALE offer library users?

- Opportunity to trace their ancestors in UK, US and certain international territories
- Access to the historical records required to build a family tree; Census, BMD indexes, Passenger Lists, Military Records and much, much more....
- A tool for those interested in historical research as a whole

Genealogy Newsletter

March 2009

Dear Colleague,

Welcome to the ProQuest Genealogy newsletter.

Through this regular update we aim to keep you up to date with developments taking place in *Ancestry Library Edition*.

In this issue you will find:

- What's New and Coming Soon in *Ancestry Library Edition*
- Usage Statistic update
- Contact details for the ProQuest team

We are always interested to hear about your experiences of using the resource and your comments about the product. Please do not hesitate to contact us at marketing@proquest.co.uk or through your account manager.

Content Update

Ancestry Library Edition is continuously growing. Below is a snapshot of content that has been added, updated and announced for inclusion in the last few months.

You can view the full list of recently added databases, extending back a couple of months, at <http://www.ancestrylibrary.com/search/rectype/recent.aspx>
